

# MRS. POTTER'S MONTHLY NEWS - JANUARY

## WHAT WE ARE LEARNING? HAPPY NEW YEAR!

We have started the second half of Module 3 for Math. To help with our new math program I will be placing any YOUTUBE videos I find, that correspond with the lessons we are doing, onto our WIKI under the Eureka Math page. I am hoping that this will be helpful to everyone.

In reading we have started to look at nonfiction text features and identify them in nonfiction books that we are reading. Lastly in spelling your child should bring home 8 words to study instead of just 6..
